TOTAL	55	46	46	16	29	56	58

Historically, MNADV tracked homicides from July 1st of one year to June 30th of the following year; however, in 2019 MNADV began tracking these homicides within the calendar year, making tracking easier and more useful for the general public. As such, each of these graphs reflects a 6-month period between July and December 2018, which demonstrates this shift in tracking processes.

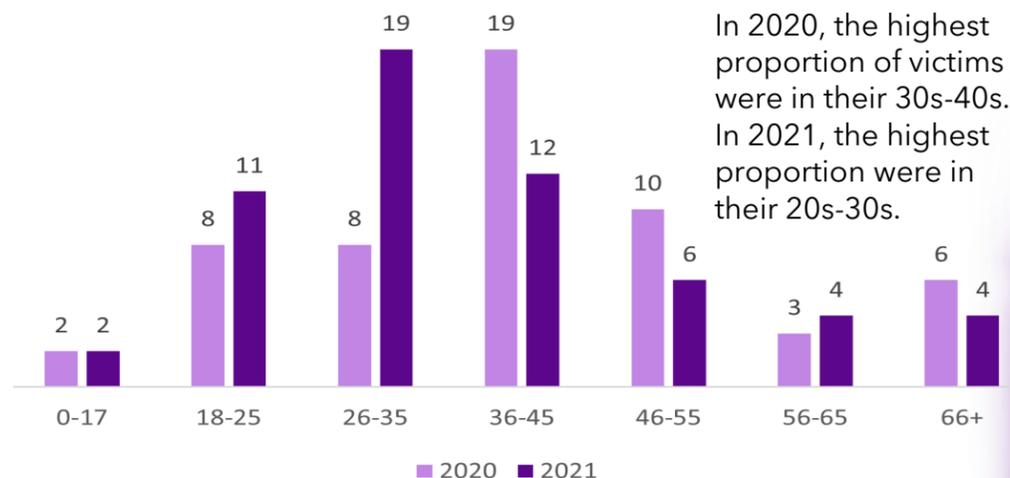

Total Domestic Violence Deaths (2007-2021)

Deaths by Category (2015-2021)
