What Method Was Used to End Their Lives?

Is There Racial Disparity?

13 Abusive Partners Died

7 Men committed suicide within the context of a murder-suicide or quadruple murder-suicide.

More Lethal? 37.5% of 2022 deaths were within the context of a murder suicide or quadruple murder suicide. Considering Maryland experienced two quadruple murder suicides in 2022 (something never before seen), murder suicides remain common but may be becoming more lethal.
