

Licensed clinician (LGPC/LCPC, LMSW/LCSW, etc.) needed to conduct group counseling for domestic violence offenders. Counselors lead weekly psychoeducational groups using a 22-week program model. Groups are held both virtually and in person in Rockville. Groups may eventually return to being fully in person.

This is a **part-time** position for **evening** groups with current need for Mondays 5:30-7:00 PM (in person) and 7:30-9:00 PM (online). Opportunities to pick up other groups may arise. Spanish speaking a plus!
