

Elly has 10 years of experience providing business and social services to a wide spectrum of people. In addition to her financial and administrative roles managing family investments in Wu & Associates, LLC, her passion to help others is reflected in her roles of helping victims of domestic violence and caring for elders in Assisted Living facilities. She has a Bachelor's degree in Business Administration from West Chester University and two Associates Degrees in Business and Accounting with Honors from Delaware County Community College.

Elly has written and speaking/listening fluency in Cantonese and Mandarin and listening fluency in Wenzhounese, Taishanese, and Shanghainese. She raised three third-culture children that, as a family, have traveled more than 1 million flight miles to more than 30 different countries.
