CASEWORK SUPERVISOR (Part Time)

Ashiyanaa (formerly ASHA for Women) is a 501(c)3 nonprofit organization founded in 1989 to provide culturally-competent support services to South Asian women and children impacted by interpersonal violence (also known as domestic violence). Over the years, our services and programs have expanded and we currently serve all South Asians with origins in Afghanistan, Bhutan, Bangladesh, India, Nepal, Pakistan and Sri Lanka.

Our mission is to empower South Asians to lead peaceful lives with dignity, hope and self-sufficiency by providing comprehensive and culturally-sensitive services.

We are looking to hire a part-time Casework Supervisor. Position available immediately.

Qualifications:

- Masters in Social Work (MSW), Human Services, or a related field.
- 3-5 years of supervisory experience in casework or social work, with a demonstrated ability to work effectively with clients in challenging situations.
- Supervisory experience and knowledge of DMV resources are essential.
- Knowledge of relevant laws, regulations, and social work best practices.

Preference will be given to Licensed Clinical Social Worker.

This is a paid, primarily remote position with approximately 3-5 hours per week, with periodic meetings in person. This is a great opportunity for a professional looking to add on a few hours while creating meaningful change.

The candidate will be a contract employee and salary will be competitive depending on education and experience.

Key Responsibilities:

- **Supervision and Leadership**
  - Provide general direction and ongoing supervision to Caseworker whose primary responsibility is to work directly with clients providing case management services and indirectly with Trained Client Advocates.

- **Client Assessment and Planning, and Quality Assurance:**
  - Provide regular oversight of active caseload, maintain close communication with staff regarding challenging cases.
  - Monitor and evaluate services provided by the Caseworker.
  - Review case records to ensure that services are provided according to the assessed care plan and established standards of practice are followed.

- Appraise Executive Director/Director of needs related to client services, including procedural and documentation upgrades.
